

## The Virgin Money Giving Mini London Marathon

Marathon race date – Sunday 26<sup>th</sup> April 2020

The event will be run on the morning of the London Marathon, over approximately 5km of the course, finishing in The Mall.

As in previous years the London Boroughs and additional selected area teams throughout the United Kingdom will be participating.

Teams will consist of 6 runners, girls and boys, in three age groups with only the London Borough teams scoring in the overall competition. Please be aware the standard of competition is incredibly high to secure a place on the Bromley team.

### Sponsorship

As an independent charity we reinvest back into the community. Our commitment to wellbeing and our communities goes well beyond our centres - we play an active role in our diverse local communities by supporting initiatives, events and charities that encourage the promotion of healthy, active, and creative lifestyles. Through our Community Investments project, we invest in a range of programmes and services that aim to increase participation in physical activity, build capacity and improve health and well-being in the areas we serve.

We are encouraging runners to raise sponsorship money for Mytime Active, so we can support more community projects and make an impact on people's lives. Find out more at [www.mytimeactive.co.uk/communities-partnerships](http://www.mytimeactive.co.uk/communities-partnerships).
