Golf Society Days

Dear Society Organiser,

Thank you for enquiring about holding a society day with us here at Pype Hayes Golf Course. Please see below for details on what we offer for your day. If there is something in particular you had in mind for your day please let us know and we can create a tailor made package just for you.

Pype Hayes Golf Club was built in 1933 by the then famous course architects Hawtree & Taylor. The course measures 6024yds, but don't be fooled by the yardage, with its mature tree lined gently rolling fairways and well guarded small greens it presents even the lowest handicappers a stern test.

Our golf team are on hand to help with any additional services you may require from nearest the pin and longest drive competitions to offering some great deals on prizes from the club shop.

We can hold you tee times for 14 days after which time a £100 deposit is required to secure your golf day along with a signed copy of the booking form overleaf. If you require any further information please call the golf team on 0121 351 1014 – option 1.
